About US

Welcome to Aarjay

Started in 1972 , for manufacture of office furniture components for furniture industry leaders , we began our humble journey to offer complete range of office seating solutions for corporate, institutional, hospitality and retail segments. Since then there is no going back, we have consistently grown by strictly pursuing **customer-centric work policy** that guides us to offer wide range of Executive Chairs, Work Station Chairs, Conference Chairs, Sofas, soft seating, Cafeteria Chairs, High Counter Chairs, Lounge Chairs etc. that is highly desirable by our esteemed clients .

Mission Statement

Our aim is to cater to every need of our customer keeping in mind their diverse furniture requirements and provide them with holistic, innovative and modern solution.

Our Core Values

Quality

To ensure excellent quality and durability we have our own manufacturing and upholstery unit with all latest machinery and skilled manpower with rigid quality control and workmanship.

Our products are manufactured from quality raw material such as Natural wood, steel, aluminium ,leather, natural rubber and other synthetic materials sourced from leading manufacturers and are backed by our completely reliable after sales service.

Comfort

To pursue excellence in creativity, designing and quality, utilizing the latest technologies and techniques.

Innovation

We breath Innovation. We work closely with many of India's leading Architectural and Design studios with an aim to make their dream furniture into a reality.
